

STEM Nova Awards

Discover STEM – while Scouting!

CUB SCOUTS

SCOUTS BSA

VENTURING & SEA SCOUTING

A few highlights...

- Scouts dive into **Science, Technology, Engineering, and Math** with age-appropriate hands-on activities, experiments, and real-world opportunities.
- Special recognition in true “scouting style”!
- Progressively challenging through all age levels.
- Learn directly from STEM orgs and pros – *and spark potential careers!*
- Scouting values – the Oath & Law in STEM exploration to build character, leadership, and new life skills.

The STEM Nova Awards is *easily incorporated* into existing scouting program planning and adventures – **especially outdoor activities.**

Learn more from your **Three Fires Council STEM Committee** and follow the website below for a curated collection of materials, projects, and guides!

It all started in the **very first Handbook:** measuring distances, nature, stars, animals, and compass design!
