### **Chippewa Volunteer Recognition Award - The Golden Feather**

Who will be awarded the **Golden Feather** from your unit on April 23rd?

Chippewa District is pleased to offer the Chippewa Volunteer Recognition Award, the "Golden Feather", to recognize the outstanding adult volunteers, at the unit level, who guide our youth along the Scouting trail. These adults give direction and guidance to our Scouts, as they navigate their way through childhood and become young adults, helping them learn to make moral and ethical decisions throughout their lifetime. This can be a registered leader, a parent, or anyone who has helped the youth in your unit by volunteering their time. Each unit may nominate 2 volunteers for the Award.
