Over the past two weeks, members of Our Saviour's Lutheran Church in Naperville have completed over 240 masks to help those locally and abroad while social distancing within their own homes.

The Mask Ministry is a newly formed ministry at Our Saviour's that started with leader Marcia Patterson and other fellow sewers, who began sewing, cutting, and making masks on their own during the quarantine.

Nicholas Ball, a member of Our Saviour's Church, is also helping with this effort as part of his Eagle Scout Project for Naperville's Boy Scout Troop 510. His goal is to finish 500 masks.
